

## **Mark Joggerst - Music For Peace of Mind – 01.09.2006**

**Mark Joggerst:** piano / keyboards  
**Sabine van Baaren:** vocals / keyboards

"Music for peace of mind" – this is the symbiosis of the melodic songs from Sabine van Baaren's new CD "Whatever Comes" and Mark Joggerst's CD Silence. Spontaneous meditative sounds, songs and solo piano parts create an atmosphere of unusual spiritual intensity. With Sabine van Baaren's emotional voice and Mark's sensitive way of piano playing the two musicians evoke deeply moving passages as well as cheerful, relaxing but also reflective moments.

Highlight of every performance is the improvisation together with the audience which turns every concert to a new and exciting event.
